Manipulative Performance Test

Procedures Handbook 4300

FIREFIGHTER SAFETY

PROCEDURES:

The examination and time will start when the student either verbally or by conduct performs any step of the performance examination.

SCORING:

Points will be deducted for each step omitted, performed improperly, or performed out of sequence. Steps designated by an asterisk (*) must be performed properly or the student fails the entire examination. If the student goes over the allotted time he/she will fail the entire test.

SPECIAL NOTES:

Before the examination begins the student will be allowed to ask any clarifying questions and inspect the equipment. The student will be seated in the crew compartment seat, wearing full wildland fire personal protective clothing.

Once the examination begins, the exam proctor shall not answer any questions or intercede in any way, unless safety violations occur that would injure personnel or damage equipment.
